ADAPTATION TO CLIMATE CHANGE

ONLINE EVENT

TRACKING PROGRESS: MONITORING AND EVALUATION IN CLIMATE ADAPTATION

THURSDAY, 20 JUNE, 10.00 - 11.30 CET

AGENDA

Welcome and opening remarks

Setting the scene: Introduction to key M&E concepts, tools and frameworks

Showcasing experiences: Lisbon Metropolitan Area (Portugal), Navarra (Spain) and Cascais (Portugal)

Q&A

Closing remarks

JOIN US

Learn how to develop a structured monitoring and evaluation process for your adaptation actions.

Attendees will hear insights on the key concepts, tools and frameworks related to monitoring and evaluation in climate adaptation from experts and practitioners on the field.

Learn from the regions themselves as they share their on-the-ground experiences of developing their own monitoring and evaluation frameworks.

A Q&A session will allow attendees to ask questions, exchange ideas, challenges and learnings.
